

Indonesian @ Rosary

This term Rosary students will be bringing home posters, booklets and 'notes for the fridge' that they create during Indonesian lessons, to share with you at home. I hope that you will enjoy being 'taught' some Indonesian words and facts by your children, and that they have some fun taking on the role of teacher for a change. You may have to ask, if you do not see any Indonesian work coming home in your child's school bag!

For those of you who would like a little more 'home learning', I recommend the free Languages Online app (created by the Victorian Education Department). Recently updated, it now has more Indonesian language content and includes two additional languages, French and Italian. Students in Years 4, 5 and 6 use it regularly during lessons and the Year 3 students will be trying it for the first time this term.

Selamat belajar! Happy learning!
